The Premises:

One of the very best!

The Lady:

Fairly tall with dark, shoulder length hair. Deep, all over tan and an extremely fit and well defined body (she says she's a dancer and looks like one). She just oozes sex (to me anyway). See website for an accurate description and pictures.

The Story:

I quite like a girl to take control and Morgan pretty much did that.

Bit of a blur really but I can remember a great massage, with her tongue hitting all the right spots. I can also remember some excellent sex and a breathless CIM session.

Morgan has a big personality, and seems to have the knack of making everything seem fun.

I hadn't realised this lady was such a handful (reminded me of the one and only Kelly). But now I know I'll be back for plenty more. If this is what you get in the half hour then count me in for some longer sessions.

Highly recommended!!
