The Premises:

A very pleasant home. Clean. Just a normal house. The house is on a corner, so none of the neighbours overlook. I parked in the lane just before her house, due to road works taking place outside her house

The Lady:

A very attractive 40 something lady. Lovely legs and bum. a real sexy smile. Look at the photos on her website (type "jan whitchurch" into the excite search engine. She is really friendly and eager to please.

The Story:

(This is a FR of a visit last month - have been on hols and FR box full)

Jan answered the door dressed in a really sexy skirt and tight top. After a couple of pleasantries about the crap weather and my journey she pulled herself close to me and started some lovely French kissing. She then led us upstairs into her bedroom and more French kissing. Slowly we undressed each other and continued to kiss whilst lay on the bed next to each other.

Moved onto massaging her sexy body and kissing various areas and licking her fantastic 'lips'. Jan returned the compliment with some oral.

I'm loathed to write this report in case Jan becomes more popular than she already is. Call her early in the day when she has her phone on - I caught her at 10am a couple of days before.

Jan is a really special lady. I am definitely going to visit her again. Forget parlours - ?90 for an hours sensual experience with Jan is far better value
