The Lady:

Hayleigh, 23, stunning looks, brown hair, tiny waist, lovely firm breasts, small bottom.

Bunny, 24, buxom and bouncy, beautiful face, long legs, blonde hair.

Both radiant smiles that everyone got to see on more than one occasion during the afternoon, usually after one or the other of them had been cum on by one or more of the guests.

The Story:

As with my last visit, the welcome was warm and polite from Dave, with refreshments and nibbles made available. When the girls came in Hayleigh was as stunning as ever, and Bunny made an instant impression, very up-beat, smiling and voracious.

Although the girls were a physical contrast, they had one thing in common - an insatiable hunger for sex ! With less guests at this party it meant we got to have more fun with the girls, and it was never hurried, and the girls were always eager to please. I took the opportunity to take advantage of Hayleigh being bent over, and she even took the time to ask if she was " the right height " as she was - what a lovely girl.

Bunny - well lost for words - she told everyone she had been starved of sex for 3 months - well she certainly made up for it on this occasion.

Once again a thoroughly enjoyable experience for me - lovely girls who were eager to please, but obviously enjoying themselves too. A great host along with the guy helping him out, checking people had refreshments and that the girls had all they needed. Once again, thoroughly recommend people try what is on offer.
