### The Premises:

Sally has moved to purpose built premises in Netherton. The place is newly decorated and clean as a whistle. They have obviously spent a lot of time and money getting the place looking right.

### The Lady:

As previous reports.

### The Story:

Sally was busy when I arrived, so I was shown to a second room by her husband - he stayed and chatted for a while before leaving me to enjoy the porn on the tv in the corner.

Sally soon arrived and took me to a second bedroom - again porn on in the corner. Started off with a talc massage before moving on to some nice ball and arse licking. Turned me over for more ball and cock licking and then some reverse oral. Then on with the condom and Sally rode me to climax.

Sally says she enjoys her work and I certainly wouldn't disagree with that. If you want a skinny 20 year old with bad attitude, look elsewhere. If you want a friendly, more mature lady who knows what she's doing and enjoys what she is doing then you can't go wrong, especially not for ?40 !
