The Premises:

Tidy flat. Clean and tidy. All the bedrooms were inter-twined so you could wander from room to room easily.

The Lady:

3 nice girls, plus the host joined so there were 4 nice girls for the price of 3 lol All 4 good and all 4 happy and eager to please.

The Story:

Never been to one of their parties before. But was well set up. All the girls were up for enjoying themselves as well, which made it all the better. Maybe it was just the mood I was in, but it seemed to be more raunchy than some of the ones I have been to before.

A nice touch that I have never encountered before at a party, was that the host put the guests valuables in sealed envelopes in from of them. One for my list of "what to do when in London"
