The Premises:

been discribed before.
safe, clean, loads of clean towels, plenty of parking near by.

The Lady:

very much as her photos. only better sexier with a naughty smile.
tall, blonde, with wonderful long slim legs.
a large bust which is a pleasure to play with.

The Story:

met like we were old friends as this was my second visit we chatted and caught up.
plenty of deep kissing.
then she worked her way down to where i wanted the most attention and oral without on the sofa.
after 5 min suggested we go upstairs. striped her to her very sexy g string and started reverse oral
as she continued on me.
fingers no problems taking turns between fanny and arse.
blowjob was perfect for me with cim as her reward.
had a drink then she started round two.
more oral before she went into overdrive shagging me every which way under the sun.
finished with me giving her my full length doggy slaping her arse.

a very good time and one that again i will go back for as she is just so sexy at the same time as
coming across as the nice girl next door.

if you read these thanks for a great time leah see you soon.
