The Lady:

I should say find out for yourselves but photos are not anything as good as the lady herself

The Story:

After coffee, I was shown up to room 2 which is a massive bed with a shower and small floor space. I showered and dried and the delicious Leah arrived.

Since we had met by accident on 2 or 3 previous occasions I had decided to make it official and check out what I had read and seen previously.

A lot of kissing and caressing led me to bury my tongue in her shaven haven and after quite a bit of attention from me, the head clamps were applied by Leah's thighs. She gave me a return session of Dyson dimensions and we moved on to reverse cowgirl and finally to end in 69 and CIM. We then snowballed which was a first for me. Gave the little devils another chance!!

Another shower and a coffee downstairs to recover and the end of yet another brilliant experience at Sandy's.

Leah, Sandy's, and everyone. Thanks for being no 1 and long may you stay there.
