The Premises:

The Georgian is a well established parlour and is clean and tidy. I chose the Gold Room. This has a shower and Jacuzzi.

The Lady:

Around 5'7" slim to medium build, excellent figure and a pretty face.

The Story:

We started with Natasha pushing me onto the bed and jumping astride me, kissing and locking me all over. She went into an excellent BJ and I had to stop her a couple of times otherwise I would have come there and then. I then gave her some oral before we had sex in a number of different positions. Then to the Jacuzzi where she soaped me up and played with the old man, tickling and teasing me with her fingernails.

Then back to the bed for another BJ that turned into a 69 after a few minutes and finished with CIM. Still hard so another BJ, this time finishing with mouth and hand. Overall an excellent hour spent in the company of a very raunchy lady.
