Large lady with beautiful soft skin and exceedingly fuckable tits!

The Story:

After frequenting the local massage parlours for a while, Trisha was like a breath of fresh air. Beautifully presented and spotlessly clean. Lay on the bed chatting while I got undressed. No time wasting massage, although I'm sure it's available on request. Lay down with her for a cuddle and was delighted when she started kissing me! Plenty of this, both completely naked. She then got on top and wanked me off with her body, rubbing her (lower) lips off my shaft. It was so good, I came after a short time. Would have loved to have stayed longer but time didn't allow. Excellent GFE. Worth every penny of ?75 even though there was no OWO or penetration due to my lack of self control only! I fully intend to experience this soon however, with Trisha of course!!
