The Story:

This is for those of you who haven't got the time to read all 47 of toodge's fanzines !!

For those of you who want a quickie, then out into the night ? then Debbie's isn't the place for you. Some happy punter was happily shafting the lovely Katrina when I arrived, so I had the pleasure of a cold beer and an intelligent conversation with the wonderful Kim ? very civilised and relaxing. Then in skips the gorgeous Katrina, bra and pants and cool as a cucumber, and announces that she must have a ciggie before she goes on. So another beer, lots of riotous chat, practice dancing together and then off to the bedroom.

As for the sex ? do you really think all these guys would be saying such wonderful things about her if she wasn't a simply amazing fuck ? She adores it all, and as a result, so do you. She is funny, clever, wildly erotic and cannot be bettered.

Now to spoil your fun ? you will have to wait a month if you want to have one of the great fucks in London ? she has gone home for a month. My advice ? don't go wasting yourself on other inferior models ? self control till she comes back and then book her for as long as you can afford or keep going.
