### Details of Service Provider:

**Profile Name:** Venus Sauna

**Phone:** 01412218722

### The Premises:

The sauna itself wasn't on.

The showers were clean.

Her room (?) was shabby - a change of towels on the bed would have been nice.

### The Lady:

Blonde, slim, smallish tits (described as busty on the phone)

junkie, made-up with a trowel.

Best of a bad bunch (3 on, skinny brunnet, oriental and blonde).

### The Story:

I've written about a Morgan before, but not this one. This one was AWFUL.

She was definately on something - I was too drunk to notice at the time.

Her oral (covered) was mechanical to say the least.

She got on top and moved mechanically, eyes closed,

Moved to mish and fucked her quickly to get it over with and was out of the place within 20 minutes of arriving.

No interaction at all.

I know that not all the girls enjoy it, but I'm not paying them to enjoy it - just to pretend that they are.

I won't be visting Venus again.
