The Story:

Daniella is a stunner. As soon as I walked in the door she starting kissing me, grabbing my cock and pouring wine, pretty much all at once! She is far better looking in real life than in her pictures.

After sitting on the bed she seemed very keen to play and touch me and it was only a matter of minutes before I was naked on the bed.

Daniella has a great italian accent that purred at me, and as she started stripping for me to the music I could tell I was going to be in for a great time.

She knelt on the floor and took me in her mouth sucking my balls and fingering my arse. It was not long before I had to throw her on the bed and pound her hard from behind, "you take my arse too please" she said so I guess it would have been rude not too as I slowly slipped the old boy in.

Daniella loves having her arse slapped as I soon realised and certainly seemed to be having as much fun as me.

I then went and cleaned up in her bathroom only to find she had followed me in and was on the floor in front of the basin sucking me hard again.

Round 2 started under the basin and ended up over the bath.
