The Lady:

What can I say that hasn't been said by others already apart from WOW!!

Her website photos don't do her any justice at all really - lovely hour-glass figure that looks PERFECT in a dress and even better in her bra + panties.

Sam has to be seen to be believed, even then she's still unbelievable.

The Story:

I've been looking at the Northern Angels site now for over two years and I've never really made up my mind on who to meet for my first encounter. Fortunately, the girl on the top of my list of favourites was away on holiday, and the 2nd wasn't willing to travel to Burnley. This left Sam (If I'd have known how lovely she was she would have been #1 on my list for sure!).

As soon as you speak to her on the phone you know you're in for a fun time. Sam has the sweetest accent that instantly has you laid back and ready to chat about anything, you can really open up to her in person - she's fantastic. A great talker and a great listener, those two often don't go hand in hand - I hope I end up getting married to someone like Sam. >
