The Premises:

Executive Suite is a clean place with usually a choice of two ladies. Convenient side entrance just off Eddlestone Road, in residential area. No concerns over safety.

The Lady:

I saw Angel before quite some time ago, and never got round to writing a review. She hasn't changed a bit. She is perfect. Allow me to elaborate on that last statement. She is as stunning a babe as you'd ever wish to be able to meet. Her 32F natural breasts are indescribable, as is her firm round ass, and fully shaven beautiful pussy. Long blonde hair, although I think it may be a wig, but she is absolutely beautiful. Her looks are matched only by her friendliness.

The Story:

Wearing a lacy wonderbra, little naughty teddy=bear g-string, and camisole top, Angel looked amazing. Her pussy tasted wonderful, and I loved the tatoo! Those boobs are irresistable, and her ass is simply perfect. I had owo, and the 69 was an unforgettable experience as she deep throated me, then teased me, then sucked again. After some kissing, she rode me for all too short a time, and I couldn't hold back, what with my hands on her gorgeous ass and her tits in my face...I wanted cim, which was on offer, but I'm gonna get that next time. Angel's a naughty little minx, all too willing to please. She really appreciates a gentleman, and deserves only the best of clients.

Unbeatable.
