### The Premises:

Victoria House - top quality as has often been said before

### The Lady:

Had a choice of Nikita and Natalie - neither of whom I had met on previous visits to VH. Chose Nikita - long dark hair, lovely figure.

### The Story:

Being a bit of a greedy git as had had an earlier punt in Nottingham that day. But passing Lutterworth on the M1 I thought why not?

Suffice to say I was not disappointed, although to be honest a second punt in one day did almost call into question my stamina.

Enjoyable 30 mins though. Well worth the pit stop
