The Premises:

Karen's for anyone who hasn't visited is a good standard, clean and friendly

The Lady:

You only get a quick look at the available girls and I was immediately attracted by her stockings! But when she arrived in the room I realised she was a little older than I normally like - she's still a nice looker with a good tight body

The Story:

When the massage began I realised immediately that this was not going to be a raunchy as I hoped. Clare's massage wasn't up to much and there was no hands in the places what get a bloke going!

Her oral was covered only and was a bit rough. The only uncovered she does is on your balls and up and down your shaft...oh well, I thought karen's were all owo.

Sex was good though, cowgirl, mish and doggy and although she's a great girl there was just no horny raunch that I do so love in a WG!
