Beautiful lady in her mid-20s with medium-sized tits and very soft skin all over. Amazing bottom.

The Story:

Anika must be one of the sexiest woman in the country - she doesn't just look great, she is also very eager to please and has an engaging personality. This was my second time with her and I will definitely be returning in future.

As soon as I entered her flat, we began kissing each other while she rubbed my cock through my jeans. I removed her top (I told her to wear something easy to take off as I am useless at unhooking bras) so that I could suck her lovely nipples, and she pulled down my trousers to tease my cock with a few licks.

She then took me into her bedroom and subjected me to the most amazing sensations I have ever experienced. I won't spoil the surprise for you, but it involves very skillful use of her tongue!

After several minutes of this, it was time for my favourite - oral sex! We always do this in front of the mirror in Anika's living room so that I can see the full view of her sucking me. I think she said she wanted me to fuck her (my cock is average length but above-average width, so it is probably better for intercourse) but she is so good at oral that I only ever want that! She started off slowly and then built a steady rhythm until I climaxed in her mouth. She licked her lips, smiled, and then went to the bathroom to rinse.

Normally, after reaching climax, I am too tired to do anything else but Anika is so sexy that I have no trouble carrying on. She wanted me to lick her pussy, and I did. I was keen to give her pleasure after she had given me so much, and she seemed to enjoy it.

Eventually, I got dressed and made my way out, but not before more kissing and caressing with Anika. She really is very friendly! I hope to visit her again soon.
