The Premises:

Very nice apartment 200 metres from tube station. Very safe, very clean and smart.

The Lady:

Her pictures are accurate. She's very attractive, slim and fit ebony woman, mid 20's, very good skin tone, soft and smooth. She was very smartly dressed and would be great company for a dinner date or evening out. She's about 5'6", size 10 and very, very sexy.

The Story:

Annabelle is British ebony babe and has a easy going friendly personality so if you like some good, flowing conversation as well as great sex, she's wonderful.

Had a shower and we lay down on bed together and french kissed and stroked each other...I was rock hard immediately and refreshingly she her pussy was soon wet too...She was very complimentary about my cock and gave me some excellent owo. I returned the favour and went down on her shaved pussy - absolutely fantastic! I love it when a woman gets hot, wet and horny and she tasted divine. Slipped on a condom and lay back and she slid down my cock...then changed to missionary and fucked good and hard. She's a bit too vocal for my taste but convincing and she seemed to be enjoying herself too. Had a long chat - she's smart and interesting. Then round two, with more of the same... All in all, one of my best encounters for a very long time and I'll be seeing her again.
