### The Premises:

Nice penthouse in central Nottingham. Lucy also works from there. Very easy to find, discreet entrance, I parked in a nearby NCP car park.

### The Lady:

Sarah is a very slim busty lady. Long dark hair, tanned. Mid twenties. Dressed in jeans, but she soon had them off to reveal some very sexy pink and black lingerie.

### The Story:

I was greeted by both girls, but Lucy left after a few minutes. I have seen both girls before, separately when they were at the old flat. Sarah gave me the grand tour of the new place, followed by a cuppa to catch up on what's been happening. Then we moved to the bedroom. While I was in the bathroom she took off her clothes and looked incredible in her bra and thong. Sarah gives great oral. We moved on to me being on top. After we had another cuppa before moving on to round two.

Next time I think I will try a two girl, both girls have great FR's together.
