### The Premises:

Standard Parlour. Flouresant lights in the room are a little off putting

### The Lady:

Blonde, Slim, average hight. Was told on the phone 36D chest but more like a B when out.

### The Story:

Was a little disapointed initially as I was after someone bustier. However, Zoe was pleasant to talk to and gave a firm masage. Started with sex in misionary with Zoe quite vocal. After about 5 minutes I got the dreaded 'are you nearly there as I will have to finish you off by hand'. I suggested doggy style would be quicker so she stood up and bent over the massage table. I then rode her firmly holding her slender bum. Despite the warning she carried on happily until I climaxed deep inside her.
