### The Premises:

Nice clean flat with easy access and parking.

### The Lady:

Lovely looking lady, better than her pictures on the web page. Very well spoken and I enjoyed being her `bit of rough'. Nice shoulder length blonde hair, dressed in a micro-mini skirt (as requested), see thru black top with black bra, with the added bonus of black stockings and suspenders. Really slutty looking!! Yummy, just how I like it!

### The Story:

Amie greeted me with a nice passionate kiss, where I had a good feel of her lovely arse, and her her tits with those fantastic nipples, which she loves to have pulled, sucked and played with very firmly, gently nibbled and/or chewed - but not bitten.

We got the paperwork out of the way and went straight into the bedroom. More very passionate kissing - she really is fuckin good - and then we got naked, first her undressing me, and me undressing her and licking and kissing all the way. Imagine how pleased I was when I get to her cunt and find it not only shaven around the lips, but her clit is pierced. Fan-Fuckin-tastic!! My first ever pierced cunt!!

She then gets on her knees and starts to blow me and it is just the best! If anyone has visited Chloe who is also from Judy's, I think I would have to say Amie just about edges it. The only downer I can say about Amie is that you can't spunk in her mouth : - (

but that doesn't stop you coming all over her tits which she encourages with great gusto. Suffice to say I didn't last long and she was soon wearing a nice load of cream on her tits which she rubbed in very sexily.

As I didn't last long, she was soon at my cock again which got stiff about 2 - 3 mins after I had spurted over her tits, and I even surprised myself as I wanted to fuck her but she said she wanted to see me spunk on her tits again!! Bit rude to refuse isn't it!!

As I was getting ready to spunk on her tits for the second time, the encouragement was getting verbal and very dirty! Something which will have me spurting sooner rather than later!!

Again, she rubbed it into her tits, which are very nice, not too big, nice and firm and the nipples are permanently hard!

After this I told her I wanted to taste her cunt juice as I really do love it. Have to say, she gave great

encouragement here ordering me to suck her whole clit (which is where her piercing is) into my mouth. She tastes delicious, and she writhed and bucked as she came in my mouth. Yummy. Thankfully, after this we had a bit of a breather, and a drink to cool off. We then had another snogging session and I was hard as rock again we had a nice fuck in good old mish, again with lots of verbal encouragement to "Fuck my cunt, come on FUCK ME!!" When I came for the third time, this was genuinely just over an hour after I had got inside the front door! The thing that dissappointed me slightly, was I hadn't had the chance to fuck her arse and didn't think I'd be able to! Little did I know of Amies resurrection capabilities!

As I am quite large - girth, not length - she said anal wouldn't be a problem, but we'd have to take things nice and slowly with plenty of lube. Again, the verbals were really rude and I just love that and came for the fourth time in 2 hours. To say I was knackered is the understatement of the year!! Amie is a top girl, knows all the buttons to press, I would DEFINITELY recommend a visit to her, and I will DEFINITELY be back to see her. The only problem is, it will probably be after Christmas before I can do so. Do yourself a favour and do the same. Some may thing some of what I've put in this report is made up. I kid you not, it is 100% genuine.
