### The Story:

She greeted me with a warm and friendly and kiss. Upstairs to the bedroom and she revealed those magnificent breasts. She had no underwear on and spread her legs so I could give her oral attention and she had the sweetest tasting shaven fanny ever. The she turned her attentions to my rigid member and she took me in her mouth, sucked deeply and evenly and I came buckets. She did not flinch and sucked me completely dry. I gave her more oral and then she took me in her mouth again and once more I was drained.

Pure pleasure.
