The Story:

This was my first time to see Kate despite quite a few visits to the London Retreat over the last couple of years. As I passed the lounge, Kate was standing there in her lingerie and I was pleasantly surprised as she is nicer than in the website photos - which aren't bad at all.

We had a very nice tie and tease session on the cross with me wearing stockings and suspenders to get me in the mood. Kate tied my balls with a stocking and got me rock solid very quickly with some striking and dirty talk and lying on the bed rubbing her pussy while I could only watch: she then got stuck into sucking my balls with great enthusiasm, with a promise that if I was good she would suck my cock too - eventually I got this too any very nice it was too.

After a while on the cross she untied me and started on the oral on the bed, then into a nice 69. I was planning on a giving her a good fucking but at that point my self control ran out and I came early, so we finished off with a nice massage and a chat. Her attitude throughout was great and she played the part I asked for nicely.

I will come back for more as I missed out on the 'main course'. I've never been disappointed at the Retreat before and Kate carried on the tradition very well.
