The Premises:

London retreat has been described many times - nice basement flat in Earls Court, close to the tube.

The Lady:

Gorgeous - early 20's blonde with nice natural tits and a lovely figure.

The Story:

I had seen Amy a couple of times before, unfortunately both times had been spur of the moment decisions after drinking sessions and I had not got the best out of them. So I promised myself I would go stone cold sober and really enjoy it.

We played the 'hard & soft' game where amy tied me on the cross dressed in stockings and suspenders with my balls tied up and tried to keep me hard: if I got soft I could do what I wanted: if not, I was all hers. Just the sight of her in her lingerie was enough for me - when she started licking my neck, nipples and sucking my cock I had no chance!

Anyway, off the cross she made me bend over the bed while she played with my dick and balls and spanked me with a paddle. Next I had to give her some fun and she lay on the bed and made me lick her pussy for quite some time - think she quite enjoyed that :-). Then it was time to get a biggish black dildo out and after a bit of warming up with her fingers she offered me some poppers which sent me off to temporary oblivion, eased the dildo into my asshole and gave me a damn good bumfucking till I had had enough. To finish off she asked if I wanted to 'take her from behind' - an offer I could not refuse as she went on all fours and spread her wet pussy out for me to fuck. I can't have lasted long but it was grrreat!

This girl is a (magically dirty) angel - one of my favourites. Hope I can still get a Christmas booking after this sort of report!
