The Story:

My first visit to Nadia. I arrived late as I mis-heard the address over the phone. But she was still friendly, welcoming and unhurried. She is an utter delight. Friendly, bright and talkative. She kisses deeply and tenderly, and does OWO to completion. She sucked me for a while, then I licked her till she came. She has no unpleasant taste or odour whatsoever. She came quite gently, probably because of my lack of skill and experience, but I will definitely be back for some lessons! I was nervous and had drunk a bit beforehand, so couldn't actually get hard enough to get inside her. She still made me feel relaxed and comfortable. She sucked me again till I came in her mouth. I left 15 minutes late, but she was never impatient. Having found this stunning goddess, I have no intention of looking anywhere else.
