Courtney had long curly blonde hair and a sexy attractive smile

The Story:

First of all she asked me to strip of and lie on this massage table. Started with rubbing my body & legs then she moved up to playing with my balls, very intimate.

After a relaxing rub down, i was asked to turn over a little more massage, then discussed financials.

Once that was sorted a covered BJ, Which was out of this world followed by a engrossing time which i will not go into in detail.

A Wonderfull lady with a great personality and a wicked sence of humor, if only i lived closer. i would like to take her away in my pocket.

The only black mark was when leaving being accused by a fellow gent that i had nicked his wallet, once the confusion died down, the idiot found his wallet exactly where he left it!!! lucky i am a nice guy and could laugh it off.....
