The Lady:

Natalie picture are on the web site but she is better in person. The web site says she is 5'11" with a 36dd-24-34 which i would agree with.

The Story:

I had picked the VIP room for the hour. i was shown up to the room and waited for five min. she asked what i wanted to do for the hour. started with a strip tease the on to the bed where she gave a small toy show and the on to BJ(with) which was great i had to stop my self cumming. Then i gave her oral which i think she enjoyed the sex in miss her long legs wrapped round my body. The sex was great. Then we had a jucazzie. After she gave me a great massage then we had sex again started with a BJ then her ontop and finished in doggy.
