The Premises:

Apartment block off Old Brompton Road. Short walk from Gloucester Road underground. Clean and safe.

The Lady:

As per website photos. Very sexy, beautiful face (much better than in the photos), fantastic arse.

The Story:

Slow start but once we were down to it all went well. Very good OWO then reverse oral finishing off round one with her on top.

A chat about life etc. Kiss and cuddle before getting onto round 2. Got him ready for action again with some OWO before doggy. I usually prefer girls with slim hips / arses. However seeing Daniella's firm J. Lo' type bum before me might persuade me otherwise. After a few minutes tried Anal. Now I'm by no means a big lad but it took a few attempts to get it in. Lovely and tight. Finished up with Daniella on her back with her legs up by my shoulders, buried in her bum.

Brilliant!
