The Lady:

Milana is from the Czech Republic and I liked her within five seconds of our meeting. Not only is she very attractive but her personality is also very friendly. She is 23 and has all the usual requirements of a good figure, appealing expressive face and height. A sexy lady with a lovely smile - that always get me - who wants to please.

The Story:

As said, Milana is a lady who likes to please and she enjoys a good kiss and cuddle. I certainly do! We spent a very pleasant hour together during which time we explored most aspects of a girl/boy liaison.

Her English was sufficient to convey most meanings (she also speaks German, clever girl!) and you leave with the feeling that she would be nice to get to know more.

Hope you enjoyed our trip back home, Milana and I look forward to seeing you again before long.
Love, Fred
