The Story:

I have been away from the UK for the best part of 2 yrs and missed the punting scene. I came back briefly a few months ago and rang Judy to try and book Chloe - silly me I should have booked ages ahead. Judy suggested Amie and everything she said about Amie was correct. I had a great time then, so now I'm back, my first punt was a double session with Amie.

This woman is sex personified, she is simply outstanding. Everything she does is excellent, and all with a big smile and wonderful manner. Between "rounds" she is great company, intelligent, wordly wise and delightful to be with.

It is invidious to make comparisons with Judy's other star, Chloe. All I can say is that now I'm back I'll be on the M40 twice as often!!
