### The Premises:

The Galaxy isn't the swishest place around but if you like mature ladies this is the place to go. Good parking, friendly receptionist and girls who are usually willing to please.

### The Lady:

I think I might have seen Kelly once before a few years ago but not absolutely certain. She's around 5ft 7in tall and has great legs, wonderful tits and a very pleasant way with her.

### The Story:

Started with a nice firm massage that didn't go on too long. Couldn't wait to sample Kelly's fantastic body and I quickly got down to feasting on those boobs before working my way down to her pussy which is very sweet tasting and nicely hairy. While I munched away happily on her labia Kelly, who seemed to enjoy the attention, gave me some great covered oral. Finished with a nice slow shag, plenty of grinding, that only a mature lady can provide. Kelly is a lovely lady and well worth a visit.
