### The Story:

This was my 3rd visit to debbies and again I saw kelly, I had to wait about 20mins this time, I didn't mind as Debbs was there and we both had a good chat and drink on the sofa (by the way lads Debbs is stunning to). Soon kelly was ready and today she had a very sexy figure hugging mini dress on which made her even more horny than usual. needless to say we were soon down to business, a nice lick of her sweet pussy until she orgasmed then onto full sex only this time I was completley knackered by the end of it. I told kelly I fancied turning over to sleep as I couldn't handle any more, this comment sent her into a fit of giggles we had our last kiss and my half hour was over.

See ya in a few weeks kelly.
