The Premises:

Sandy's Superstars' Northenden branch. Others have commented on this in the past. It's very clean and on a main road, so felt very safe. Once inside the parlour, I was immediately set at ease by Sue, the receptionist, who calmed my jangling nerves (this was my first-ever punt!).

The Lady:

There have been a lot of descriptions of Leah; she's a dusky beauty in my eyes. taller and more athletic than me (neither very difficult!)

The Story:

As noted above, I was SO nervous; I'd spent much of the afternoon checking the locations of parlours and had ended up @ Sandy's south M/cr branch, when the north M/cr branch is much closer to home. I was afraid of bumping into someone I knew!

Sue had helped me decide which of the girls would be best for me as a novice punter and Leah was certainly very sympathetic to this old man, whose 'old man' failed to do the trick.

When she came in the room, I felt the need to explain some of my hang-ups and how nervous I was. So Leah began with a full body massage with me face down and then turned me over for some OWO. Even this wasn't successful, so she spent the rest of the session in a GFE working on the old man and reassuring me that it wasn't unusual for a first-time punter not to be able to perform satisfactorily. She even said that she'd had another punter earlier in the day who had had the same problem. It's certainly not you, Leah; it must be me and him!
