The Story:

Jazz seemed quite nervous at first although understood she was not new having been with Judy some 15 months. After sorting the paperwork, Jazz tried, without success, to put a video on, but neither player was working. After this false start Jazz proceeded to give me a very sensuous massage, which started with aromatherapy oils and graduated to the strategic use of ice cubes. A bout of mutual oral ensued with Jazz having a loud orgasm, before we ventured on to "tie'n tease" during which Jazz brought me to the brink several times before she donned the mac and climbed aboard for a vigorous cowgirl to finish. Enjoyable but I found I didn't really click with Jazz
