Good venue as always, not much to look at from outside but go with it, the flat is fine inside

Very slim, very sexy, probably mid 30's?

The Story:

Fantasic time. Probably my fourth time here and it just get better. Monday had been a quiet day for her, good news for me. Had the top service (normally ?90) for huge discount. I'll let you guess how much, but good value for deep OWO, eye contact etc then her on top for A, No lube, she jsut went for it. Brill
