### The Premises:

Clean and tidy - in fact a very nice pad. I would mind moving in, but only if Lily satys!

### The Lady:

Very firm, toned ebony beauty. Fantasitc body and very pert (if a little small) tits. Long hait to her nipples and and very pretty face, but the best bit was are arse - you know what a black arse is like and this just meets all your expectations!

### The Story:

I like variety, and lily gave me all that and more - straight in with very passionate kissing after being invited in and this just follwed through to the bedromm where we get into doggy. After much admiration of her arse I asked if I could get in it, and after adding some rubber I was enoying the best A-levels I've had.

Blow job with a peal necklass ended the session, but I've already booked my next visit.
