The Premises:

She works from a ground floor flat in a clean and safe part of luton. You can park in the street out side and its free.

The Lady:

Nicky had brunett hair about shoulder length. She must have been in her mid to late 20s and has a very slim curvy sexy figer. Her tits were a nice size not huge but very nice to feel and look at. She was shaved down below.

The Story:

I really liked nicky from the moment i saw her. She is very friendly and had a great bubbly personality.

She offers all services but no OWO. I just felt like a good shag on that day. But after i left i wished i had taken more money.

She was more like a girlfreind. Rubbing me all over with her tits kissing my neek and body and the sex was out of this world.

Nicky only works on a mondays as there is a different girl there evey day of the week. I hope to try them all but i will be going to see nicky again. And next time i will take more money.
