The Story:

I was meet by kelly who I had seen previously (very sexy and amazing body as reported before)she introduced me to katrina.

Katrina kicked off with kiss followed by an excellent massage which I really enjoyed (all hands in the right places!) soon she was sucking my nipples which made me get really hard, soon the rubber was on and the BJ had begun which was amazing, whilst stroking her lovely curvey bum. I wanted to play with and suck her tits but she wasn't very responsive and pulled away, she sucked my member almost to orgasam, she knew the right moment to stop and asked me to fuck her doggy style how could I refuse? I pumped away and after a few minutes (who's counting? I dont know)I turned her over to finish the job I came in about 3 seconds she made me feel like I was 18 and fucking for the first time, I will never forget this encounter. Katrina just made me feel so young although I would have liked to have licked her pussy to orgasam and sucked her tits (maybe next time!) watch this space!
