The Story:

This was my first punt since getting married. Iv been in a relationship for around 5 years and recently got married in july to believe it or not a Turkish girl. I needed a change so i came to visit karina who i heard of from a mate. Anyway Started off with some light kissing, which soon developed into french. SHe took off her wrap and satanding there fully naked. She helped me undress and when she saw my piece she said something ina different language i didnt understand. OWO was done expertly, continued on to MISH and Cowgirl, let me manipulate her shitrim while i fucked her from behind. ripped off rubber and climaxed on shitrim. Absolutely superb.
