The Story:

Wow, where do i start, this girl knocks you off your feet the minute she walks into the room. And after all this time i found out why she is called Lizard Tongue !! She has so much energy and makes sure she uses it to good effect, gets involved in her work so much she loses herself, but wow you really have the time of your life. OWO had me on the edge for ages, the sight of her bobbing up and down on my cock was too much and i had to let go. Morgan certainly enjoys what she does and damn well makes sure you do too.

I will be back soon.
