### The Story:

On this occasion my trip to the London retreat was disappointing and very unpleasant. In contrast to my last visit when I meet Victoria just a few days earlier, Kate just wanted me out of there, I felt my time was rushed, she was uninterested in me and what was going on. When I did cum you could see the smile on her face, and all it said was thank heavens for that now I can get him out of here. Instantly she ran out of the room and made no effort to engage with me again, say goodbye or chat for a minute. I add the maid on this occasion was no better.

Contrast again to when I meet Victoria, she and the maid chatted with me next to the door and Victoria me a nice kiss and said goodbye.

I am not going into more detail as I might do an injustice to Kate as maybe I meet her on a bad day, but I do feel very disappointed with her. I have spent years trying to find somewhere that I felt comfortable with and thought I had found it but sadly Kate let the London retreat down.

I hope I will be allowed back after writing this as I do believe this a very well run place with great girls offering a good service.
