### The Premises:

lovely, safe, in quiet neighbourhood, really well appointed flat

### The Lady:

This girl is sensational. Sex on legs. So good I should be keeping this report to myself, but I can't. The pics on this website are recent (she showed me the proofs herself after our monstrous shagfest) and accurate.

### The Story:

No comparison. After many years of punting this goes into the top three or four totally memorable encounters. She's lovely. Not what I'd call 'girlfriend' - which I usually prefer - but energetic, raunchy, no-holds-barred stuff. This may or may not include anal - I'm not bothered so didn't ask - but the sex was more heartfelt and 'real' than most girlfriends I've been with. She's dead nice with it, cuddles up more closely and intimately than most when it's done, and always seems ready for more. She's really bi, which makes me want to consider shelling out for a two girl experience with her: there's no question it would be money well spent..
