The Story:

This party was heaven! It must be every man's fantasy to take part in a porno film, and this is what it was like. I arrived late, so at first all the girls were occupied but I did not have too long to wait before being sucked off in a chair. Then a look in the bedrooms. heaving with bodies, then 69 with another girl on the lounge carpet, watched by other exhausted partygoers (sorry I did not ask names!). Finally Sable (you cannot forget her) pulled me upstairs, put me on the bed and sucked me off the best I have ever had. I put my arm around the girl next to me on the bed who was being rodgered and caressed her gently sweating body. I cannot wait for the next one.
