The Premises:

Small flat in a residential block near Olympia. I was shown directly through to Nicole's room which was clean, warm and cosy with candle-light. I did have a bit of a problem getting into the building as the bell didn't seem to work. When I phoned the agency the girl apologised and got Nicole to buzz me in. I do hope that they get this sorted quickly because my loitering outside the front door aroused the attention of the caretaker guy and whilst this wasn't a problem for me it could become one.

The Lady:

A very pretty EE blond with a lovely young body. The web pix are certainly of her.

The Story:

After the formalities of receiving her "present", Nicole waited on the bed for me wearing a little blue negligee. I could hardly get out of my clothes fast enough! I don't usually write in FRs about how a girl kisses because I regard this to be a discretionary service which may or may not be provided. I do have to say though that Nicole is a great kisser with a very active mouth and tongue. This enthusiasm was more the maintained as she worked her way down my body to a lovely bbbj. She seemed to get this just right because it was exciting without bringing me to the boil too quickly. After about 15mins of this enjoyment she whispered "condom?", I grinned and it was johnnie on, panties off and I was fucking her with her legs wrapped around me. After a relatively short pause by my standards Nicole went down on my again and, once she'd got me good and stiff again, got on top and rode me enthusiastically in a couple of variants of cow girl. After all her efforts I laid her back down on the bed and caressed her little pussy for a while and then she rolled on her side and pulled me into her from behind. Finally I moved on top of her and reached a great climax with my balls slapping against her perfect bum.

Several WGs are inclined to rush off after the 2x even if there is still time to go but Nicole seemed happy to lie beside me until my time was up. My only slight criticism is that her English is currently quite limited. She is however very sexual, friendly and has a pleasant manner and I certainly hope to see her again.
