### The Story:

Having had a couple of porr experiences (not with this agency) in the Manchester area recently I decided to try one last time and with a great deal of success. Faye was just as described, and prettier than I expected. She is georgous and was a pleasure to be with. A very naughty girl, lots of TLC, loads of kisses, a true GFE. Plently of conversation and seems to genuinely enjoy her job. I will not go into the gory details of what we got up to, suffice to say you will not be dissapointed but treat her with the respect she deserves. Thanks Faye and Thanks Jane at Cheshire Companions
