The Premises:

A smart basement working flat (i.e. she doesn't live there) in Earls Court, five minutes walk from the underground. Good size bedroom with OK bathroom attached.

The Lady:

The pics on the site at present do her no favours ? she is a happy voracious young sex goddess who every man would be thrilled to be with ? definitely not the reserved and cool young lady that the existing pics suggest. However she says that she will have some new pictures soon - suggest she forgets the clothes and smiles a lot like she did this afternoon. Because in the flesh she is beautiful, can talk confidently and interestingly and ADORES sex.

The Story:

What a way to start a new year ? ONE OF THE GREATEST AFTERNOONS I HAVE HAD IN 5 YEARS OF PUNTING.

She is fairly new to the scene, but unless she had told me that, nothing that happened would have let me know it. She strips quickly and with enthusiasm, kisses with her tongue right down your throat like the most complete GF, lets you know loudly how much fun she is having on the end of your tongue or cock, gives the most wonderful OWO (deep and soft with wonderful suction) and my highlight of the afternoon was her riding cowgirl for nearly half an hour, perspiration pouring off her as she had repeated orgasms and squealed with delight.

Hard to believe that I am the first to write a report on such a wonderfully talented WG who says she is likely to be around the scene for a few months yet. Yet again the super-efficient Susan of T of C has another star in her care ? I cannot recommend this one highly enough ? if, like me, you have enjoyed the frantic sex of Stephanie of SB recently, you will definitely want to experience the equally enthusiastic and delicious Kira. And, as with Stephanie, I shall definitely be back for some more of Kira.
