### The Story:

I had noticed Nicole on previous visits to Babes so in some respects we already knew each other as she flirted with me while I was enjoying a drink in reception till eventually I succumbed to her charms.

Nicole walked into the room wearing a see through red dress and matching panties, and started teasing me by bending over so I could get a good view of her tight panties stretching over her pussy she slowly moved closer till my face touched the cheeks of her bottom an interesting and enjoyable way to start our session, we then fell on to the bed and soon undressed each other till as I pulled down her panties I could appreciate her body to the full. We then spent some time exploring each others bodies till Nicole worked her way down to my cock giving it some attention and it was not long till I came over her breasts having a few minutes left we spent the time chatting before getting dressed and returning downstairs.

Thanks Nicole for giving me a good time both in the room and at reception luv xxx
