The Premises:

Usual type of flat near Earls Court station. Her room small and rather bare.

The Lady:

Mousy blonde, average height, a bit flabby. Pics on website make her look much better than she actually is.

The Story:

By some way the worst punt I've ever had. There were no FRs on this lady and I had not tried this agency before, but I thought I'd take a chance. Big mistake.

I've found most other EE ladies to be intimate, affectionate and enthusiastic. Claudia was uncommunicative, remote and clearly not happy. There was definitely no kissing or intimacy on offer, and the BBBJ and sex were mechanical and perfunctory. Even for a cheap walk-up this would have been a disappointing experience. I left after about 40 minutes, glad to get out of there.

An awful experience, not least because the poor girl clearly didn't want to be there herself. Do her - and yourself - a favour and avoid at all costs.
