The Premises:

Basic flat, in a residential area, descreet location down a back lane, warm and dimly lit room, my only complaint was the smell of stale cigarette smoke, my shirt smelt like it does after a night out clubbing.

The Lady:

Very slim, attractive lady, sexily dressed in matching bra and knickers, stockings and heels. very pleasant friendly girl who imediately makes you feel at ease.

The Story:

I was very short of time so i though, sod it i'll call Nadia and see if she'll suck me off for ?20 quid, iv visited her once before and she gave good head and was a good little fuck so thought i'd give it a go! I was in luck, she had just had a no show so i was in. Into the room she immediately went to work, undid my trousers and got down to work on her knees whilst i leant back against the wall, good eye contact and ball stroking too, she really knows how to suck, nice red lipstick all over my cock, and real depththroat. So emptied my load in her mouth whilst pushing her head down on my cock, zipped up whilst she spat it into a tissue (i love it when they do that!) and went off a happy chap. Shes a good girl, likes to be treated well but knows how to do the business.
