The Premises:

WFBs Bury - a very clever modern use for what had become a redundant pub with a discrete back entrance, if you know what I mean!

The Lady:

Patrice is a gorgeous, classy young lady of slight build. I'm not sure WFB's website is right when it says that she is a C cup, but I'll take her word for that. What I am NOT prepared to believe, however, is that she is as old as she is said to be on the WFB's website. I'm sure I could put her in touch with a good libel lawyer!

The Story:

I prefer visiting the more mature WG and had had Patrice recommended by friends on a local chat room. Gentlemen, I am forever in your debt!!

She is a slender, sexy young woman who is extremely good at the gfe and at communicating with the punter to make sure that the experience in the room is what both of them want. She gave me the full range of her services, including owo and rimming and made me extremely glad finally to have met her.

It was my first time with Patrice (not for lack of trying, I might add; she is, justifiably, extremely popular, and I think I was just lucky that the poor weather tonight might have deterred others from venturing out.) and, if she will have me as one of her regulars, I would be more than happy to see her as regularly as I can afford her.
